

We're inviting volunteers to join us for this first term (May-August). While children's worship videos will continue to be online for now, at church we'll be starting with one program that's similar to Sunday School, and we're starting with Grades 1-6. This program will be facilitated twice each Sunday. Session 1 will run during ED and MD worship and volunteers will be expected to join us from 9:15am-11:00am. Session 2 will run during CD worship and volunteers will be expected to join us from 11:00am-1:00pm. Due to the COVID situation, we're still being cautious with our children. There will be no more than 10 children in a class and each class will have 2 leaders and we will be requesting that all children pre-register, at least for the time being, due to capacity limitations.

### **VOLUNTEER ROLES AND SCOPES**

While this is different than our pre-COVID class situations, we're looking for the following categories of volunteers:

- **Class leaders (2/class. Minimum total of 8. We're tentatively splitting the classes as Gr 1-3, Gr 4-6 for now)**
  - equal responsibility leaders who will coordinate between themselves who is facilitating which weeks or which elements of the curriculum. The curriculum will include a guide to that week's Bible dig (lesson) and questions to ask/methods to engage the children, as well as guides to various games, crafts, and other activities. We will ensure all class leaders have the materials they need each week prior to the start of each session.
- **Substitute class leaders (Minimum 2 total)**
  - in case a leader is sick or is unable to make it, we'd like to have subs whose duty is mostly to read over the curriculum each week in case they are called to join a class, and then join a class if needed. As much advance notice as possible will be given to subs.
- **Sign in/out (1/session)**
  - responsible for signing children in and out during their respective session and ensuring that children are only being signed out by authorized parents/guardians.
- **Hall Monitor (1/session)**
  - responsible for patrolling the 2<sup>nd</sup> floor children's ministry area during their respective session in case of emergencies including but not limited to runaway children and unexpected visitors.

We will be providing mandatory training for all volunteers. What types of training will depend on the role you're serving in. Some of that training will be self-study (online). Some of it may be in virtual class form, and there will be an in-person walkthrough component the week prior to re-entry. If you'd like to serve with us at this time, please let me know which position you'd like to serve in and we'll continue the conversation from there. If you have any questions, please don't hesitate to reach out.

Thank you for your patience during this time as we've been planning and preparing! Please continue to pray for our whole team, for God to stir hearts to serve and pray, for God to guide us through re-entry! We look forward to serving with you!
