FALL UPDATES

Dear Pathway family and friends,

In this season where we are all affected by Covid-19, we continue to trust our lives and Pathway Camp Ministries to Him who is in control!

As you know, we sadly had to cancel our March break and summer camps this year. We were hoping to restart our two youth programs in Pinaymootang and Grand Rapids this month. After talking to the leaders in each of these communities, we finally have a tentative date to restart the programs in January 2021.

During this time, we have been able to connect with some of the youth, support churches and friends to the ministry via the Internet, but we miss being able to see and talk in person. Please keep our youth in your prayers. We are also able to see some of them face to face on a 1 on 1 basis.

Stephane and I would like to thank all of you who have been faithfully supporting the ministry. We realize that many have been affected by the pandemic so we greatly appreciate your love for the ministry.

Since the pandemic started, donations have decreased because there were no dessert night funds, First Nations community donations and staff contributions. As a result, we have removed half of our remuneration on April 1st and removed the rest completely in September. We want you to know that your donations will go towards the general expenses of the ministry until January. Starting January, we expect all to come back close to normal.

A special THANKS to Faith Academy for participating in "Ride 4 Refuge", you guys and gals are awesome!

As we look to the future, it is our desire to meet in January (the meeting was originally planned for this month) with key staff/volunteers members and the board to discuss 'new ideas' to spruce up what Pathway does. We have already talked to a few people about what can be done to help the young people in the various communities.

PRAYER REQUESTS:

1. God willing, we will be advertising a job posting to hire an employee in December. If you know of someone who may be interested, please have them send in their

resume to info@pathwaycampministries.com

2. Please pray for the youth in Pinaymootang and Grand Rapids.
3. Since we were unable to hold our annual fundraising dinner this year, we hope to reschedule one early 2021.
4. Please continue to pray for the ministry amidst Covid-19, that God would reveal His will.
5. Please also pray for our health. In the last 12 months several small issues made us consult specialists and we should have results this month.

Blessings,

Jenny & Stephane Joron
